

REACH

Compassion in Action
Ending Homelessness & Hunger

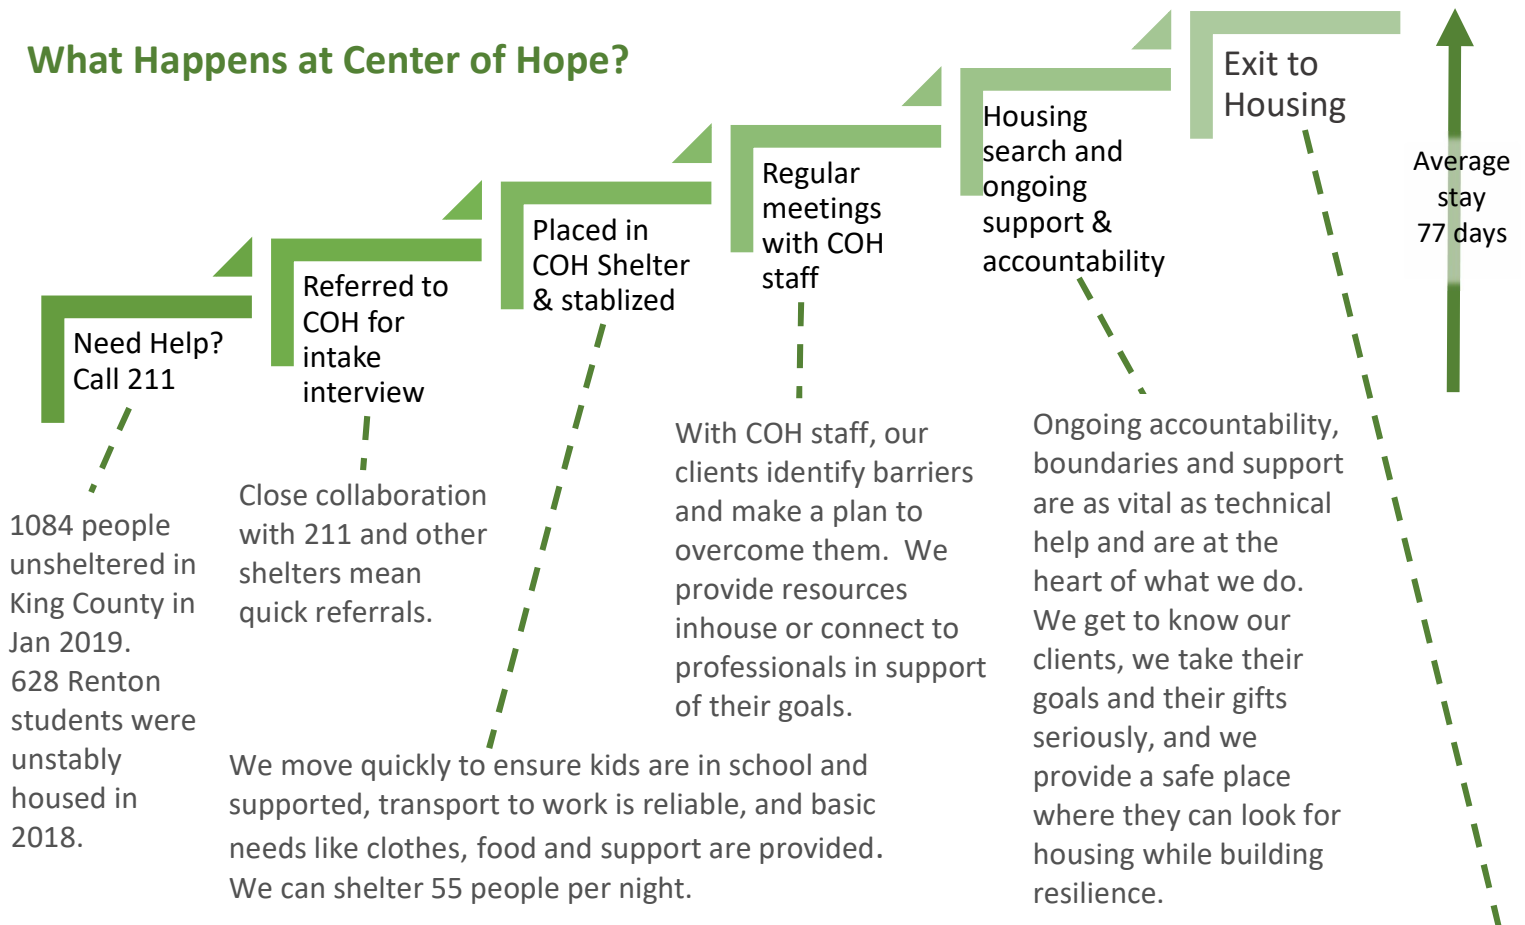

Vision

A future where no resident in South King County is without a home or food.

Mission

Turn compassion for our unhoused neighbors into action by providing programs that are grounded in the needs of our residents, good practices and collaboration.

What Happens at Center of Hope?

| | 2018 | To Sept '19 |
|-----------------------------------|------|-------------|
| Families into housing | 43 | 33 |
| Individuals provided day services | 267 | 439 |
| Individuals provided shelter | 266 | 129 |

The client pictured right moved into her new home in March 2019 just before she gave birth to a healthy baby girl! To her right is one our volunteers who for the past two years has been leading fun activities, movie nights, and homework help at our night shelter. She has made such an impact on this family that they decided to name their baby girl after her. This is just one of the many incredible journeys we get to be a part of week in-week out.

Resources

COH is able to help our unhoused neighbors thanks to regular volunteers, skillful staff, enterprising partnerships, and financial and in-kind support.

Helping clients overcome their barriers to housing takes careful and targeted services. Barriers can include lack of access to a living wage job, training/education, reliable transport, trade equipment, or funds for housing searches or move-in costs; a credit issue or previous eviction; language/cultural needs; unresolved trauma; and health challenges. Clients are matched with the relevant help which is provided onsite by staff and visiting partners and off-site through partnerships with other agencies.

On-Site Services

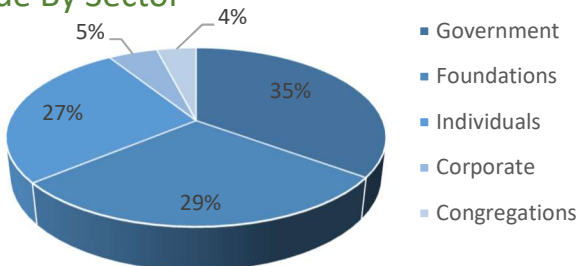

Navigation & housing searches, supportive community, social work support, 2 meals a day, clothes & hygiene supplies, general health consultations, mental health counselling and support, employment services, financial counselling, school and parenting support, early learning and parent-child services.

Off-Site Partners

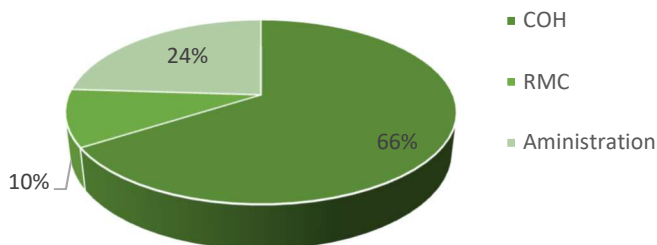

Renton School District & Communities in Schools, Low Income Housing Institute, Shelters for populations beyond our scope (Mary's Place, Friends of Youth, CCS), Wellspring, Solid Ground, Tenant Law Center & ELAP, ReWA, DAWN & YWCA, Valley Cities & King County Library System.

In 2018, REACH cost \$347,2000 to run. The sources of these funds and the way in which they were spent are shown in the graphs below:

Revenue By Sector

Expenditure By Program

Our costs are controlled thanks to the help of hundreds of donors who make in-kind donations and volunteers who give generously of their time.

You Can Help!

Donate: A list of needs is available on our website and you can make a financial donation there too.

Volunteer: Submit a volunteer application on our website.

Learn: Links to helpful reports and information is also on our website and don't forget to sign up for our newsletter.

Speak Up: Share your ideas on our tour survey, come to a REACH meeting, or drop an email to Pattie@reachrenton.org, Board member and Donations Coordinator, or Maggie@reachrenton.org, Research and Development Specialist.
