REACH RENT/MORTGAGE RELIEF ASSISTANCE APPLICATION

Many people, due to the stress and strain of COVID as well as the ending of the various rent moratoriums, are experiencing housing instability. REACH is a Renton non-profit organization that is doing work in the local community to help those facing housing issues and homelessness. Through a grant from the federal government, REACH is able to disburse funds to help pay rent/mortgage for those that need assistance in South King County area. Please fill out the following application and return it to REACH at admin@reachrenton.org by 4:00pm on Monday, October 18, 2021.

Important notes:

- A completed application is not a guarantee of financial assistance.
- Due to restrictions of the program: for those that we award financial assistance to, REACH is only authorized to pay one month's worth of rent/mortgage.
- REACH will review all applications, and those that REACH can provide funds to will be notified by the end of October.

Applicant/Head of Household Information

Date: _____ Phone: _____
